LA GARENNE

A Short Introduction

LA GARENNE

* La Garenne is a secondary school located in the city of Charleroi, in the province of Hainaut (Wallonia).

* Charleroi has historically been the capital of Belgian industry and boasts a long and rich history best reflected in the town center, the site of a fortress whose original shape it retains to this day.

* Charleroi is a city where culture and sports go hand in hand: Spirou Charleroi, the city's well-known basketball team, is named after the famous comic strip *Spirou and Fantasio*

La Garenne

- * La Garenne is a technical and vocational public secondary school organized by the local community of Charleroi.

- * It is subsidized by the French Community.

- * It offers students several vocational options, with emphasis on technical skills and ensuring the growth of the next generation of Belgian sportsmen.

La Garenne and the Lifelong Learning Programme Programme

La Garenne has hosted assistants through the Comenius programme six times since 2006.

« *Young Europeans contributing to a better future* » is the second multilateral partnership the school is involved in (2012-2014)

The first one was « Health4Life » (2010-2012)

Our school is also involved in a bilateral project with Portugal « Be Active Be Healthy » (2012-2014)
