

MOBILITY PROGRAMMES

COMENIUS

Comenius

What is Comenius ?

- ▣ This programme allows exchanges and cooperation between schools from different EU countries and partners. Individuals (students and staff) can also apply to individual grants.

Comenius's objectives :

- ▣ Improve and increase the mobility of pupils and educational staff across the EU
- ▣ Favor the personal development and skills of participants, especially linguistic
- ▣ Give them a better understanding of European citizenship and multiculturalism
- ▣ Enhance and increase partnerships between schools in different EU Member States;
- ▣ Encourage language learning, innovative ICT-based content, services and better teaching techniques and practices;
- ▣ Enhance the quality and European dimension of teacher training;
- ▣ Improve pedagogical approaches and school management

For who ?

- ▣ The Comenius programme focuses on all levels of school education, from pre-school and primary to secondary schools.
- ▣ It is relevant for everyone involved in school education: mainly pupils and teachers but also local authorities, representatives of parents' associations, non-government organizations, teacher training institutes and universities.

How to participate ?

- ❑ To participate in a Comenius programme, you have to contact your national European Agency of Education and Formation where a person in charge of the project will help you.
- ❑ Contact in France: Agence 2E2F
- ❑ Website: <http://www.europe-education-formation.fr/>
